

Dear All,

XRCVC is happy to announce an **“Offline Basic Android Training with TalkBack”**. **SBI Foundation Centre of Excellence supports this training.**

The mobile phones is currently became part of everyone’s life. In technology world, user access majority of things through mobile itself eg: Calling, Messenger, Banking etc.

The visually challenged user was using basic handset mobile which has buttons but currently in the technology world smartphone is ruling the world in smart way. The visually challenged can also access the touchscreen smartphones in smart way with the help of talkback software which available in all android smartphones.

In this Part 1 - Offline training will help you learn user to access touchscreen smartphones, basic application & others optimally.

Limited seats are available for the session. Register through the given link - <https://forms.gle/5cUMqjMA8YzJMRqt5>
