

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**Optimizing Audacity sound editor with NVDA Part-2**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the **Dhun Pestonji Parakh Discretionary Trust**.

All of us are aware that the Audacity is free, open-source sound editing software and easily available on net. In the earlier workshop we study some features of the program. Since the subject is very vast, in continuation we will work with about more basics aspects of Audacity in this session.

Eligibility: participants should have good knowledge of screen reader, cursor movements, Key board, basics of Audacity
Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
