

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**free and open-source multimedia player with NVDA**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the **Dhun Pestonji Parakh Discretionary Trust**.

Now a days there are number of media players available for Windows operating system users to play various multimedia files. Some of them are paid and some are free. we are going to study with one of the free and open-source cross-platform multimedia player that plays most multimedia files as well as DVDs, and variety of streaming protocols.

In upcoming workshop, we will learn basic features of such media player with illustrations.

Eligibility: participants should have good knowledge of screen reader, cursor movements, Key board and internet browsing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
