

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "Basics of PowerPoint with NVDA". under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the Dhun Pestonji Parakh Discretionary Trust.

MS office program suites contains various applications and PowerPoint is one of the most popular presentation programs among them. It is used to make presentations for personal, educational and professional purposes. Its capability extends to add clip art, videos, charts, photos, graphs and many more. This makes presentation program more effective, attractive and interactive.

Since the program is compatible with open-source screen reader, in the upcoming workshop we will learn few basic features with hand-on experience.

Eligibility: participants should have good knowledge of English language, typing and screen reader.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
