

Dear Friends,

The XRCVC is delighted to announce a workshop on the subject, "Effective screen reader usage -- making the transition to open source 'the process and possibilities'

NVDA has come a long way both in terms of its functionality, ease of access and integration with pleasant user-friendly voices.

The one-day workshop would help the user make the transition towards using NVDA as their primary screen reader.

Key themes would include various features such as Installation, upgradation Understanding key stroke similarities with existing screen reader, Choice of synthesisers , languages, cursors and many more.

Date: Sunday, May21, 2017

Time: 11.30 am to 6.00 pm

Venue: XRCVC Viviana Extension, Thane
