

Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) at St. Xavier's College, Mumbai, proudly marks its 20th anniversary! To celebrate this important milestone, we're holding 20 Tech Roshni sessions on diverse topics for persons with disabilities (PWDs).

We're excited to announce our 15th online workshop on the theme "Reading and Writing Math on Computer" for individuals with blindness and low vision on 17th February 2024. This workshop is supported by PSA-BDP.

Independent reading and writing are crucial for learning any subject, including mathematics. Generally, to learn mathematics persons with blindness or low vision face challenges due to its visual and abstract nature. Technological developments and digital-based learning offer accessible ways to read and write mathematics, providing more opportunities for persons with disabilities.

In this session, we will explore reading and writing math on computer with screen reader.

Eligibility: Participants should have good knowledge of screen reader, browsing and typing in the computer.

Limited seats are available for the session. Those interested should kindly register by using the [registration form link](#).

Resource Person: Poonam Deokar and Keshavan Nadar

Criteria: Persons with print disabilities such as blind and low vision.

Date: 17th February 2024 (Saturday).

Time: 4.30 pm to 5.30 pm.

Venue: Online Session (Zoom conferencing platform)

The registration link will close at 2.00 pm on Thursday, 15th February 2024.

Important Note:

1. Instructions to login will be sent by email on 16th February 2024, Friday to the registered participants.
2. After clicking the above-given link, fill in the form. Please do not click on the Request Edit Access button. If you click on it, the form will not be submitted. Once the form is filled then click on the Submit button only.
3. Participants can use their personal earphones/headphones during the session.
4. After successful form submission, you will receive an acknowledgement email from Google.

Best Regards

XRCVC Team,
