Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) at St. Xavier's College, Mumbai, proudly marks its 20th anniversary! To celebrate this important milestone, we're holding 20 Tech Roshni sessions on diverse topics for persons with disabilities (PWDs).

We're excited to announce our 16th online workshop on the theme "Let Understand Data Analysis with Screen Reader" for individuals with blindness and low vision on 24th February 2024. This workshop is supported by PSA-BDP.

In this digital era, huge amounts of data are collected and processed by individuals and companies alike. To examine this data, the task of data analysis becomes essential. It plays a crucial role across various domains, including business, science, and research. By using data analytics, organizations can make informed decisions, gain valuable insights, and optimize their processes.

In this session, we will explore Data Analysis on computer with screen reader and accessibility along with experience persons.

Eligibility: Participants should have good knowledge of screen reader, browsing and typing in the computer.

Limited seats are available for the session. Those interested should kindly register by using the registration form link.

Resource Person: Laxmi Sagar and Keshavan Nadar

Criteria: Persons with print disabilities such as blind and low vision.

Date: 24th February 2024 (Saturday).

Time: 4.30 pm to 5.30 pm.

Venue: Online Session (Zoom conferencing platform)

The registration link will close at 2.00 pm on Thursday, 22nd February 2024.
