Dear all,

Do you want to learn a multi-purpose app and instantly wish to give feedback about the app to a developer directly? Here are the chances for you for the **AudiVision App**.

Greetings from the XRCVC, St. Xavier's College, Mumbai on theme "**Let Understand AudiVision App**". This workshop is supported by SBI Foundation COE

AudiVision: discover the world via voice. App uses A.I. technology to help them independently perform daily chores like - identifying products & medicines, find expiry date, read documents, and more. It will also assist them to stay safe during pandemic by identifying if the people around are wearing masks or if the commute is crowded.

Those interested should kindly register by using the link given below.

https://forms.gle/sZBegEU586Aimwtf6
