Dear Friends,

XRCVC is happy to announce an **Offline Training on the theme "Google Drive with JAWS".**

In every field, content is fast becoming digital all over the world. But the means to access this content, share it, and store it is becoming difficult, because the file sizes are too large to be sent over email.

This problem is faced all the more by visually challenged persons, as they regularly deal in large files.

To solve this problem, Google Drive is one of the best ways to store, access, edit and share important files. JAWS screen reader makes it possible for visually challenged users to access "Google Drive".

This session will help participants learn how to access web-based application "Google Drive" with JAWS.

Eligibility: participants should have good knowledge of Internet browsing, Fundamentals of G-mail, typing, screen reader.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
