Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) at St. Xavier's College, Mumbai, proudly marks its 20th anniversary! To celebrate this important milestone, we're holding 20 Tech Roshni sessions on diverse topics for persons with disabilities (PWDs).

We're excited to announce our 13th online workshop on the theme "Explore AI with NVDA" for individuals with blindness and low vision on 3rd February 2024. This workshop is supported by PSA-BDP

Artificial intelligence (AI) is basically a chatbot that uses natural language processing tocreate humanlike conversational dialogue. After the launch of Artificial intelligence (AI) several tools & features started to develop. In today's scenario, lots of individuals use AI to improve their productivity, etc. Currently AI is launched by various companies such as Open AI, Google and Microsoft etc. In this session, we will explore AI with screen reader for various cases.

Eligibility: Participants should have good knowledge of screen reader, browsing and typing in computer.

Limited seats are available for the session. Those interested should kindly register by using the [registration form link](#).

Resource Person: Keshavan Nadar and Vikas Dabholkar

Criteria: Persons with print disabilities such as blind and low vision.

Date: 3rd February 2024 (Saturday).
