Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "Basics of Excel with NVDA". under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the Dhun Pestonji Parakh Discretionary Trust.

Microsoft Excel is a one of the leading applications that stores a wide range of data in tabular format, making it easy to access and navigate. It organizes calculations and generates different types of reports in one click.

Excel is a very popular spreadsheet program used in educational institutions, offices, or homes all over the world. It is a product of Microsoft Corporation.

In the upcoming workshop, the basic techniques of Excel 2019 will be considered practically with the Open-source screen reader NVDA.

Eligibility: participants should have good knowledge of English language, typing and screen reader.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
