Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC), St. Xavier's College, Mumbai as completed its 20 years of services on 17th September, 2023. On reaching this important milestone, we have organized a series of 20 Tech Roshni sessions on diverse topics for Persons with Disabilities (PwDs).

We are happy to announce our 10th online workshop on the theme "**Coding with Screen Reader**" for persons with blindness and low vision on 6th January, 2024 on the occasion of World Braille Day.

Earlier coding or programming was considered tough for visually impaired, In current scenario Accessibility gave new path to visually impaired to do programming or coding with assistive technology such as screen reader to develop digital society. There are lot of visually impaired persons who do coding on HTML, Python, SQL etc.

In this workshop, we will explore, how coding with a screen reader is possible by visually impaired professional.

Eligibility: Participants should have good knowledge of screen reader and touch typing.

Limited seats are available for the session. Those interested should kindly register by using the registration form link.
