

Dear All,

St. Xavier's College, XRCVC - Viviana extension is happy to announce an Online Training on the theme "Standard G-Mail with NVDA." This online training is supported by PSA BDP.

In digital era email communication is became basic necessity in current scenario. The emailing platform has integrated lots of news features for user, Similarly G-Mail has Standard View and Basic HTML View platform for users. Earlier this year, Google informed users that G-Mail Basic HTML view would be disabled starting in early 2024.

Most of the visually impaired prefers to use Basic HTML view G-Mail, due to accessibility wise and simplicity for screen reader but it had not got the face lift of new features from the standard view.

In this one-day online training we will learn, how to use Standard G-Mail, certain features etc with NVDA.

Eligibility: Participants should have good knowledge of screen reader, Typing, Internet browsing, knowledge of basic HTML G-Mail.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
