

Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) at St. Xavier's College, Mumbai, proudly marks its 20th anniversary! To celebrate this important milestone, we're holding 20 Tech Roshni sessions on diverse topics for persons with disabilities (PWDs).

**We're excited to announce our 12th online workshop on the theme "Know Your Banking Services" for individuals with blindness and low vision on 27<sup>th</sup> January 2024. This workshop is supported by PSA-BDP**

Since 2006, XRCVC has advocating for Inclusive Banking. We've collaborated with the RBI, IBA, and NSDL during their rule-making processes and with various banks to address accessibility gaps at the ground level, like With Union Bank of India launched the country's first fully accessible bilingual ATM in 2012.

Nowadays, banking offers an range of tools and services that simplify personal financial management, such as easy transactions, investments, and more. For Persons with Disabilities digital banking also provided a way to operate and manage accounts independently.
