

Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) completed 20 years of service on 17th September, 2023. On reaching this critical milestone, XRCVC has organized a series of 20 Tech Roshni sessions on different topics for persons with disabilities. We are happy to announce our third online workshop on the theme '**Using WordQ for Reading, Writing, and Communication**' for persons with neuro-developmental disabilities on 7th October 2023. This free workshop is in support of the World Dyslexia Awareness Week (1st - 7th October). The **Dhun Pestonji Parakh Discretionary Trust** supports this workshop.

**WordQ** is a desktop software that aids reading, writing, and communicating easily and independently. WordQ provides word prediction, text-to-speech feedback for better comprehension and effective use of word prediction, and talk-to-type speech recognition.

This upcoming workshop will cover these and other features of WordQ.

**Limited seats are available for the session.** Those interested should kindly register by using the link appended below.

**Resource Persons:** Prerana Hebbar, [Minerva Education Solutions](#)

**Criteria:** Persons with neuro-development disabilities like Specific Learning Disabilities (SLD), Autism Spectrum Disorder (ASD), their teachers, parents, or students willing to explore new learning tools.

**Date:** 7th October, 2023 (Saturday).

**Time:** 04.30 PM to 05.30 PM.

**Venue:** Online (Zoom conferencing platform).

**Please register here:** <https://forms.gle/zLmS5ozGPqERS6eA8>

The registrations will close at 06.00 PM on Thursday, 5th October, 2023.

Best regards,

XRCVC Team,

**Xavier's Resource Centre for the Visually Challenged (XRCVC),**
