

Dear Friends,

XRCVC is happy to announce an **online workshop on the theme “Google docs with NVDA Part 1”**.

Google has offered many web based free applications to its users, on cross platforms and Docs is one of them. With **Google Docs**, you can create, edit, format, import, export, collaborate and can perform many more effects in text documents.

In this workshop we will experience basic use of Docs features with hands-on experience.

Eligibility: participants should have good knowledge of screen reader, cursor movements, Key board and internet browsing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
