

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce a Training on the theme **“Talkback with External Keyboard.”** SBI Foundation Centre of Excellence supports this training.

Nowadays, due to the slow economy, numerous visually challenged friends are not in the situation to purchase costly laptops or desktops. But most of them have Android phones. The main hurdle most of them are facing to write with touch typing. There are some tools that can make our phone write effectively in many applications with the help of an external keyboard.

In this offline training, we will learn hands-on experience with Talkback about navigating, writing, etc.

Eligibility and Criteria:

- Participants should have good knowledge of Android phone gestures with talk back, touch typing, and external keyboard.
- Persons with print disabilities such as blind and low vision. A participant should be a screen reader user.

Hurry up; limited seats are available for the session.

Those interested should kindly register by using the link appended below.
