Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "Using Signal App with Android phone". under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the **SBI Foundation - Centre of Excellence (COE) forPWDs**.

Android phone users are having one more choice of Signal software which is similar to WhatsApp. It is open source and having good security level. One can use it as alternative way for communication.

In upcoming workshop, we will study the program with hands-on experience.

Eligibility: participants should have good knowledge of Android phone gestures with talk back and touch typing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.

https://forms.gle/3v2yCHxvxBTxMiS66

Resource Persons: Vikas Dabholkar and Keshavan Nadar.

Criteria: Persons with print disabilities such as blind and low vision. Participant should be a screen reader user.

Date: 10th December 2022, (Saturday).

Time: 4.30 pm to 5.30 pm.

Venue: Online Session (Zoom conferencing platform)

The registration link will close at 6.00 pm. On Thursday 8th December 2022.

Important Note:
