Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "A short Tour of Zoom app with open-source screen reader Part-3" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the SBI Foundation - Centre of Excellence for PwDs.

In earlier two parts of this Zoom application's series, we considered many features of the program with open-source screen reader NVDA. The program is also working on cross platform such as iOS and Android systems.

In upcoming part, we will learn this program on android mobile phones with open-source screen reader TalkBack.

Eligibility: Participants should have good knowledge of Android phone gestures with talk back and touch typing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
