

Dear Friend,

**XRCVC** is happy to announce an Online Workshop in “**STEM (Science, Technology, Engineering and Mathematics) Skills**”. This Workshop is supported by **Great Eastern CSR Foundation**. Since you have attended our earlier related training program, we felt you might want to consider signing up for this one as well.

Today's tech savvy environment opens many opportunities in **STEM for student's with blindness**. **STEM skills** involves accessible methods of plotting graphs and performing calculations for any basic to scientific level.

This Online Workshop will help you learn accessible methods for plotting graphs and do the scientific calculations optimally.

**Limited seats are available for the session.**

**Those interested should kindly register by using the link appended below.**

<https://forms.gle/y35jgGh83HC3XgtPA>

**Resource Person:** Poonam Deokar.
