Dear Friends,

The XRCVC - Viviana Extension, Thane is happy to announce an online workshop on the theme "Using Latest TalkBack With Android phone". This Workshop is supported by the Great Eastern CSR Foundation.

In early days Visually challenge people were having hard time to use mobile phones. From smart phone revolution and initiative of Google company has change situation drastically. TalkBack the default screen reader provided by every smart Android phone has made the life of visually impair and low vision people very easy. Today TalkBack has come a long way both in terms of its functionality, ease of access, and integration with pleasant user-friendly voices and interface.

Recently **TalkBack** made significant changes in its latest version. Upcoming workshop will cover working with the basic features of these changes with Android phone and TalkBack version

Eligibility: participants should have good knowledge of screen reader, cursor movements, Key board and internet browsing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
