

Dear All,

The XRCVC - Viviana Extension, Thane is happy to announce an online workshop on the theme “Writing by External Key board with TalkBack” under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons . This Workshop is supported by the Dhun Pestonji Parakh Discretionary Trust.

Google has made life of visually challenge people calmer by enhancing Talkback software. Its potential to convert Android phone to mini laptop with use of physical key board.

Already in earlier workshops we took a tour of talkback and to navigate with help of the physical key board similar to our windows machines.

In upcoming workshop, we will learn to type in applications with external key board

Eligibility: participants should have good knowledge of Android phone gestures with talk back, touch typing and physical key board commands in Android.

Limited seats are available for the session.
