Dear All,

XRCVC-Lake Shore (erstwhile Viviana) Extension, St. Xavier's College, Mumbai is excited to announce an online workshop on **Browsing with AI** on the theme "**AI for Intelligent Browsing**" under its Tech Roshni series–a step at bridging the digital divide for persons with disabilities.

- Do you find online browsing time-consuming or challenging, especially when accessing or organizing information for studies and research?

- Would you like to browse the internet in a smart but fun-filled manner?

- Would it not be great if you could have the power of artificial intelligence in your browsing experience?

Well, all that is possible!

In this upcoming Tech Roshni session, we will explore our browsing experience with AI.

Interested participants should register on or before **Friday, 19th December 2025** by 06:00 p.m. using the link appended below.
