

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "Resourceful Use of YouTube with NVDA Part-1" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the **Dhun Pestonji Parakh Discretionary Trust**.

Currently the "YouTube" is one of the most popular website among the users all over world to acquire knowledge. The website extends its flexibility to users by videos, MP3 and other entertainment formats.

The website plays a vital role in life of visually challenge person to gain information in audio format for frequent purpose like educational video and auditory tutorials, movies and songs etc.

In upcoming workshop, we will study to use this information tool efficiently with open-source screen reader NVDA.

Eligibility: participants should have good knowledge of screen reader, cursor movements, Key board and internet browsing.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
