

Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC), St. Xavier's College, completed 20 years of services on 17th September, 2023. On reaching this important milestone, we have organized a series of 20 Tech Roshni sessions on different topics for persons with disabilities.

We are happy to announce our 5th online workshop in the XRCVC 20th-anniversary series, on the theme "**Enhancing Accessibility with SaralX**" for persons with blindness and low vision on 21st October 2023. The Dhun Pestonji Parakh Discretionary Trust supports this workshop.

The SaralX app uses the latest technology to help enhance access for people who are blind and low vision. It has OCR features such as convert complex documents including math and science (STEM) content into accessible and usable formats, get video transcripts or captions, and text within videos or both etc.

In the upcoming workshop, we will know more about the **SaralX app**.

Eligibility: Participants should have good knowledge of phone gestures with screen reader and touch typing.

Limited seats are available for the session. Those interested, kindly register by using the link given below.
