

Dear all,

St. Xavier's College, Mumbai, XRCVC is happy to announce an online workshop in "**STEM (Science, Technology, Engineering and Mathematics) Skills**"—State Bank of India Foundation and Centre of Excellence (SBIFCoE) supports this workshop. Since you have attended our earlier related training program, we felt you might also want to consider signing up for this one.

Today's tech-savvy environment opens many opportunities in **STEM for students with blindness. STEM skill** is an online workshop that will help you learn accessible methods of reading and writing mathematics, plotting graphs, and optimising scientific calculations.

**Hurry up! Limited seats are available for the session.**

Those interested should kindly register by using the link appended below;

<https://forms.gle/LdadTWir2L34swWPA>

**Resource Person:** Ms. Poonam Deokar.

**Eligibility Criteria:**

- Persons with blindness and low vision,
- the student should have had sufficient experience working with screen readers
- age group 11 or above, and
- the student should have basic computer skills, including—touch typing, file & folder Management, working with MS Word, and email skills such as reading emails, replying, downloading, and uploading attachments.

**Day and Date: Saturday, 25th March 2023,**

**Time: 03:00 PM to 05:30 PM**

**Venue:** Online Session (Zoom conferencing platform),

The registration link will close **at 06.00 PM on Thursday, 23rd March 2023.**

**Important Note:**

1. Login instructions will be emailed one day before the session to the registered participants only.
2. After clicking the above-given link, fill out the form. Please do not click on the **Request Edit Access** button. Once the form is filled, then click on the **Submit** button only.
3. Participants are requested to use their earphones/headphones during the session.
4. After successful form submission, you will receive an acknowledgement email from google.

Regards,

Poonam Deokar
