

Dear All,

Xavier's Resource Centre for the Visually Challenged (XRCVC) at St. Xavier's College, Mumbai, proudly marks its 20th anniversary! To celebrate this important milestone, we're holding 20 Tech Roshni sessions on diverse topics for persons with disabilities (PWDs).

We are excited to announce our 20th online workshop on the theme "Access Math with Screen Reader" for individuals with low vision on 4th May 2024. This workshop is supported by Dhun Pestonji Parakh Discretionary Trust.

Visually impaired person faces problems when come across text and math expressions in non-accessible formats such as jpeg, image or PDF etc. To overcome this difficulty technology has helped with online web-based solutions to transform documents into an accessible format.

In the upcoming workshop, we will study one such service with hands-on experience.

Eligibility: participants should have good knowledge of screen reader, cursor movements, Keyboard and internet browsing.

Criteria: Persons with print disabilities such as blind and low vision. The participant should be a screen reader user.

Limited seats are available for the session. Those interested should kindly register by using the Registration link - <https://forms.gle/GDXyACgYrmTWe1jB6>
