

Dear All,

St. Xavier's College, XRCVC-Lake Shore extension is happy to announce an online workshop on the theme **"Exploring Nobaflix with Screen Reader"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Are You Facing Barriers to Enjoying Movies?

- Do you enjoy watching movies, yet find your experience less fulfilling compared to friends or family members?
- Is blindness or visual impairment limiting your access to entertainment?
- Do you find it challenging to follow the plot in thriller or action films?
- Are you unfamiliar with the concept of Audio Description?

Here is Comprehensive Solutions for Accessibility!

XRCVC is organising a Tech Roshni workshop on exploring Nobaflix with Screen Reader.

What is Nobaflix? NobaFlix is a leading OTT platform that is specifically designed to cater to the needs of differently-abled people, particularly those with Persons with Blindness. The platform offers audio-described versions of popular TV shows, movies, and other forms of content, providing a unique and inclusive entertainment experience for all users.
