

Dear All

St. Xavier's College, XRCVC–Lake Shore Extension (Formerly Viviana Mall) invites you to the Online **“Reading Without Seeing”** Workshop on Assistive Technology for individuals with blindness and low vision.

- As a person with visual impairment, have you ever wondered what kinds of technologies are available in our rapidly evolving world?
- Have there been times when you wanted to read something - like a photograph of a newspaper article on WhatsApp or social media—but didn't know how?
- With the right tools, all this and more is possible. In fact, by staying informed and alert, you can be even more up to date than many sighted individuals.

Technology has revolutionised the world, but, it could be difficult to know what to use when. There are ways to get this riddle solved.

A wonderful opportunity awaits you! Join us Online Reading Without Seeing Workshop that answers all these questions and more.

Who can participate: Visually challenged (Total Blindness or Low Vision) students, job seekers, and professionals

Charges: Free (just your enthusiasm and 2.5 hours of your time!)

Date: 20th Dec 2025 (Saturday)

Time: 11:00 AM to 1:30 PM (India) | 6:30 AM to 9:00 AM (Nigeria)

Venue: Zoom Online Conferencing Platform

Registration Link: <https://forms.gle/DASHeD7ZMoFjRNh4A>

Important Notes

1. Registration closes on Thursday, 18th December 2025 at 5:00 PM
2. Selected participants will receive a confirmation email by end of the day on Friday, 19th December 2025
3. Upon form submission, a Google acknowledgment email will be sent (if requested)

Thanks,

Team XRCVC,
