

Dear All,

St. Xavier's College, XRCVC -Lake Shore Extension (Formerly Viviana Extension) is happy to announce an online workshop on the theme **"System Care with NVDA"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Is system maintenance important for my computer?
- Does it require cleaning up unnecessary files, updating software, and ensuring hardware is in good condition.
- How to keep my computer running smoothly and efficiently?
- can visually impaired person perform the overhead tasks with screen reader?

XRCVC invites you to an awareness workshop designed to demonstrate How can you keep regular maintenance of your computer and boost quality of your work and device.

This one-hour workshop will focus specifically on utilizing the system maintenance tool. A key focus will be exploring the accessibility of the interface when used with the NVDA screen reader,

participants should register for the workshop using the link appended below.

Registration link: <https://forms.gle/JbLEFenbJPXisfXA6>

Workshop date and time: Saturday, 22 Nov 2025 at 4:30 PM IST.

Resource person: Vikas Dabholkar and Keshavan Nadar.

Criteria: Participant should be a person with Print Disability.

Interested participants should register for the workshop on or before Thursday, 20 Nov 2025 by 12:00 PM IST. The registered participants will receive the joining link on Friday, 21 Nov 2025. Hurry up and reserve your spot for this informative workshop!

Best Regards
