

Dear All,

St. Xavier's College, XRCVC -Lake Shore extension is happy to announce an online workshop on the theme "**Using Zomato App with Screen Reader**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- You are tempted to have Biryani or Pizza at home but don't know how to use a food ordering app?
- You're really in need to order food from outside, but the food ordering app not behaving well with your screen reader?
- Are you unable to order food due to a disability or lack of awareness?

Your patience will get over! Yes. XRCVC is going to conduct the Tech Roshni awareness workshop on using the Zomato app with Screen Reader on Saturday, 24 Jan 2026 at 4:30 PM IST.

Navigating with screen reader in food delivery apps can be challenging for users with visual impairments. This one-hour awareness session is designed in such a manner encourage participants enhance the skills and confidence to explore and use **Zomato** with **Screen Reader**, which is one of India's food delivery platforms.

In this workshop you will learn:

- Step-by-step guidance on browsing restaurants and menus using Screen Reader
- Placing orders and tracking deliveries
- Accessibility tips for smoother navigation
- Common challenges and practical solutions

This workshop promotes digital inclusion by helping users independently access essential services like food delivery. Whether you're a beginner or looking to refine your skills, this session offers practical insights and live demonstrations.

If you want to be a part of this energetic workshop, hurry up and reserve your spot! Interested participants should register using the below google form link on or before Thursday, 22 Jan 2026 by 12:00 PM IST.

<https://forms.gle/t8aDwjsxHBxhCgcQ7>

Resource person: Tejas Karanje, Keshavan Nadar.
