Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**Let's Explore Seeing AI with TalkBack**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Seeing AI, a free app by Microsoft, is designed to empower people who are blind or have low vision by describing the world around them. The app offers essential features like Short Text, Document Reading, Product Recognition, Currency Recognition and Color Detection etc. It turns visual information into audio feedback—making everyday tasks more accessible.

In the upcoming workshop, we will know more about **Seeing Ai with TalkBack**.

Eligibility: Participants should have good knowledge of phone gestures with screen reader and touch typing.

Limited seats are available for the session. Those interested should kindly register by using the link appended below.

https://forms.gle/SbEzNtLXZs3MRN6z9

Resource Person: Tejas Karanje and Keshavan Nadar

Criteria: Persons with print disabilities such as blind and low vision.

Date: 26th April 2025 (Saturday).
