

Dear All,

St. Xavier's College, XRCVC-Lake Shore extension (Formerly Viviana Extension) is happy to announce an online workshop on the theme **"Using AI Smartness in Excel with NVDA"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you find it challenging to build complex formulas in Excel?
- Do you struggle with creating custom validations?
- Did you know that AI can help you work more intelligently in Excel?

XRCVC is pleased to announce a **one-hour workshop** on *Using AI Smartness in Excel with NVDA*. With the power of AI, you can now generate reports, create custom formulas tailored to your needs, and save valuable time. In this session we will explore AI tools and guide you on how to effectively use AI tools in Excel alongside NVDA, making your workflow smarter and more efficient. Interested participants should register for this event on or before Thursday, 27 Nov 2025 by 11:59 PM IST.

Event details are as below:

Date and time: Saturday, 29 Nov 2025 – 4:30 PM IST

Registration link: <https://forms.gle/1NUnR5ChXCaVaZrX7>

Criteria: Participants must be persons with Print Disability

Resource person: Tejas Karanje and Keshavan Nadar

The registered participants will receive the joining link on Friday, 28 Nov 2025. Hurry and reserve your spot for this informative and empowering workshop!

Best Regards
