Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**Navigating M-Indicator with Android**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

M-Indicator is a popular mobile application in the Mumbai region, It is primarily used in Mumbai and Pune city. It provides a comprehensive guide for commuters and residents. It offers real-time and static information about various modes of transportation such as Indian Railways and other city services.

Join us to explore an apps about accessibility and usability etc.

Eligibility: Participants should have a good understanding of Android phone basics gestures with TalkBack, and touch typing

Limited seats are available for the session.
