

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**Microsoft Edge Accessibility for Low Vision Users**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Microsoft Edge is a web browser that helps us to surf for information and enhance our knowledge. It also offers several features that can make it easier for users with low vision to read content online.

In the upcoming workshop, we will explore the interesting features and accessibility of Microsoft Edge for low vision users.

Those interested should kindly register using the link below.

<https://forms.gle/HEWLC8PsJjpLiisH6>

Eligibility: participants should have a good knowledge of cursor movements, Keyboard, basics of Windows, and internet browsing.
