Dear All,

St. Xavier's College, XRCVC-Lakeshore extension is happy to announce an online workshop on the theme **'NVDA Add-ons'**. under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

As we all know, the NVDA screen reader is open source and available free of cost. To improve user efficiency, NVDA offers add-ons, which provide new features or improve existing functions. In this workshop, we will learn about some useful add-ons that help increase flexibility, usability, and overall performance of NVDA.

In this workshop we will explore and understand about add-ons and some interesting addon with NVDA screen reader.

Eligibility: participants should have good knowledge of NVDA, cursor movements, Keyboard, and internet browsing.

If you want to be a part of this energetic workshop, hurry up and reserve your spot! Interested participants should register using the below google form link on or before Thursday, 5th Feb 2026 by 6:00 PM IST.

https://forms.gle/PQQiPkovoWowd8Ss6

Resource Persons: Vikas Dabholkar and Keshavan Nadar
