Dear All,

St. Xavier's College, XRCVC-Viviana Extension is happy to announce a unique online workshop in the Health and Wellness series on the theme "**Using Digital Healthcare with Talkback**", under its Tech Roshni initiative – a step toward bridging the digital divide for blind and low vision persons.

Now your complete healthcare companion, in your pocket! Yes. You heard it right!

There are mobile healthcare platforms for the Indian market consumers. It is designed to be a one-stop solution for various health needs and app allows you to:

- Get **authentic information** about medicines — including side effects, safety advice, substitutes, and more

- **Order medicines or health & fitness products** at discounted prices, delivered to your doorstep

- **Consult certified Medical professional** from anywhere etc

Sounds helpful, right? for the visually challenged persons but an important question remains — **how accessible is this app for them using TalkBack Screen Reader?**

Let us explore together the accessibility with the TalkBack. XRCVC is going to conduct the Tech Roshni Awareness workshop on **Saturday, August 9, 2025 at 4:30 PM IST.**

Interested participants can register using the link below by **Thursday, August 7, 2025 12 PM Afternoon.** The Google Form link is as follows: https://forms.gle/ce1WA4KQUrnqzGc29

The registered participants will receive the joining link on Friday, August 8, 2025. Hurry up and reserve your spot for this amazing and informative workshop!

Resource persons: Tejas Karanje and Keshavan Nadar.

Criteria: Participant should be person with the Print Disability. The participant should have good knowledge on the Android Talkback.

Disclaimer: The XRCVC, St. Xavier's College, Mumbai neither endorses nor totally subscribes to claims about the any specific app or service. This workshop is part of an awareness program intended to introduce participants to health-related mobile applications and their accessibility etc. It is not a substitute for professional medical advice or guidance.

Thanks,
Team XRCVC,
