

Dear All,

Join us for the online workshop on theme “**Unlock LinkedIn with NVDA**” Hosted by St. Xavier’s College, XRCVC - Viviana Extension part of the Tech Roshni series – a step toward bridging the digital divide for blind and low vision individuals.

Microsoft-owned LinkedIn is a professional networking platform that connects people and businesses worldwide. Think of it as your digital resume and business card combined.

Are you new to LinkedIn, planning to join, or looking to improve your experience using a screen reader?

Join this free Tech Roshni online workshop to explore how screen reader users can navigate LinkedIn seamlessly using NVDA, enhance accessibility etc.

**Eligibility:** participants should have a good knowledge of Internet browsing, typing and screen reader.
