

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the **theme "Unlock iPhone Low Vision Aids" for individuals with low vision. This workshop is supported by Dhun Pestonji Parakh Discretionary Trust.**

Whether you're a student, professional, or senior citizen with low vision who owns iPhone and struggles to do everyday task in it? Here is the solution for you.

Did you know that Apple's iPhones come packed with lots of accessibility features which includes for individuals with low vision or partial blindness? From magnification tools, high-contrast settings, colour filters and more. These features are built right into iOS and available at no extra cost.

Don't miss out on this valuable session – Join us to explore the iPhone Low Vision Features.

Eligibility: Participants should have good knowledge of phone.

Criteria: Persons with print disabilities such as low vision (partial blind).

Limited seats are available for the session.
