

Reading Without Seeing (RWS) is an Awareness Workshop and exhibition on access technology for blind and low vision persons. These workshops are conducted by Xavier's Resource Centre for the Visually Challenged (XRCVC), St. Xavier's College (Autonomous), Mumbai | XRCVC-Viviana Extension, Viviana Mall, Thane and **supported by the SBI Foundation - Centre of Excellence for PwDs.**

The technology revolution has taken the 21st century by storm and has had a huge positive impact on various strata of society. One such positive impact is in the area of assistive technologies for persons with disabilities.

This awareness session will help you to get a first-hand experience of the aids and appliances which help the visually challenged.
