

You're Invited to Summer Sense-ations!

A summer series of joyful, hands-on learning and creativity for children and teens with blindness!

Join us for these exciting experiences:

Crochet & Create *(For Teens)*

When? 3rd May, 2025

Learn the basics of crochet—from holding the hook to making your very first textured creation! A calming and creative session perfect for teens interested in craft and fine motor skill building.

Touch & Tint: A Tactile Art Adventure

When? 10th May, 2025

Play with **raised-line drawings, textures, and vibrant tactile mediums** as you colour and explore shapes and forms in this unique art experience.

Touch, Tackle, Taste!

When? 10th May, 2025

Chop, peel, spread, and stir as you build kitchen confidence through simple, hands-on recipes—perfect for boosting independence, orientation, and motor skills.

Visual Concept Enrichment (VCE) Week

When? Starting 2nd June, 2025

Explore the world through touch! Each day, dive into a different topic—**animals, birds, insects, transport, monuments, space**—with the help of **tactile diagrams, 3D models**, and interactive conversations.

 **Open to all students with blindness. Groups may be divided by age.**

For timings and other details, register by filling in this Google form:
