

Dear Member,

The XRCVC, St. Xavier's College, Mumbai is conducting an exploratory qualitative study for persons with disabilities about their experiences of accessing the healthcare system.

This study aims to understand barriers to accessing healthcare for persons with disabilities as a first step to identify key focus areas for further policy engagement work towards creating a more equitable healthcare system for persons with disabilities.

We may also use the findings of the study for publishing relevant literature such as policy papers, newspaper articles, reports, or book chapters.

We are having a FGD session for females with visual impairment on 27th December as follows:

Time: 11 am to 1 pm

Mode: Online - details will be shared with registered participants
